Hi Lorena,

My name is Alex Malloy and along with my colleague Jessica Sutton, we handle the PR + Marketing for The Albright and Pappys. Pappy's wont be opening for 6 months to a year so details are still being finalized but I have attached some additional information. Its as much as I have at this point but Greg may be able to fill in additional details. Please let us know how else we can help.

Let me know.

Many thanks,

Alex
